## Description

Abs Tabata! 20sec of each exercise, followed by 10 seconds of rest! Do it over 2 rounds!

## Exercise descriptions

### Russian Twist

Twist your upper body from one side to the other while holding your legs up still. Look to your hands while moving to really get all out of your side abs.

### Flutter Kicks

Do horizontal movements with your legs so that they cross each other. If you fall into a hollow back, try to place your hands below your butt or make a break.

### Ankle Tap

Start on your hands and knees and plant your right foot on the ground slightly pointing outwards, halfway between your hip and shoulder. Lift your left knee and touch the the inside of your left ankle to your right calf. Switch sides after halftime.

### Bicycle

Lie on the back while alternately extending one leg while you pull the knee of the other leg toward your chest. Keep both legs off the ground the whole time
